

## REGISTRATION PROCEDURE FOR THE COMPETITION 2026

Registration is open from **Thursday, April 02, 2026, 9:00 am to Monday, May 04, 2026, 11:59 pm.**

The registrations are closed on **Monday, May 04, 2026, 11:59pm.**  
You cannot put down on-line any more documents early **May 19, 2026.**

**Any application started AFTER Monday 4 May 2026 will be considered late  
and will therefore not be considered.**

### How to apply:

You may select only 1 thesis topic from the lists provided, based on the lists of topics available on the website

**A – Funded topics, listed by research unit**

**B – Other topics, listed by research unit**

**Your application will in all cases be considered for the doctoral school's oral examination, regardless of whether you choose a funded topic or not.**

- 1 - Click on one of the two lists of thesis topics and select a topic.
- 2 - At the top of the page, click in "English version". Then, at the bottom of the page, click on 'Apply'.
- 3 - Complete the application form on ADUM (**Mandatory**: state the name and location of the laboratory where you undertook your Master's 2 internship)
- 4 - Leave the page and print the application form by clicking on 'Print application form', then date and sign it.
- 5 - Return to the application page and upload the required documents online as **a single PDF file**. All original documents must be written **in French or English**
  - o Printed, dated and signed application form
  - o National identity card or passport
  - o CV and research experience (number of months, publications, reports, subject area, mobility)
  - o Copies of grades, national and international academic rankings, and degrees (Bachelor's, Master's 1, first semester of Master's 2 or both semesters if Master's 2 has already been obtained)
  - o Final Master's 2 internship report
  - o 500-word cover letter
  - o Reference letter (at least one)

Please note: you cannot upload additional files. The new file cancels and replaces the previous one. (Make sure that all the required documents have been enclosed in your PDF file)

Please note: if you cannot put down your Masters dissertation, on **Monday, May 04, 2026**, then **do not submit your application**. You will not be able to return to your registration. You can submit your Masters dissertation until **May 19, 2026**.

- 6 – Submit your application (**Only if your application file is complete**)

The registrations are closed on **Monday, May 04, 2026, 11:59pm.**  
You cannot put down on-line any more documents early **May 19, 2026.**

**Any application started AFTER Monday 4 May 2026 will be considered late  
and will therefore not be considered.**
