

Voting will take place in Adum from Tuesday 17 December at 8.00 a.m. until Wednesday 18 December at 6.00 p.m. (closing time).

How to vote? From your Adum Personal Space, in the "Procedures" section: the "Vote for doctoral student representatives on the EDSP2 Council" module will be displayed on December 17. Each voter will only see the pair representing his/her thesis specialty.

The public concerned: all doctoral students registered in 2024/2025 who have not yet defended their thesis. Each voter may vote for only one pair of candidates representing his or her thesis specialty (e.g. a doctoral student in Sociology will vote for the candidate(s) representing the "Sociology - Anthropology" pair).
