

STUDENT ADMISSION TO THE HEALTH AND LIFE SCIENCES

DOCTORAL SCHOOL

ADMISSION EXAMS

The admission exams are held in two stages:

1. Eligibility: Review of Applications
2. Oral exam for admission: in face-to-face presentation

The 25-minute oral exam has 2 parts:

1/ 10-minute presentation: Presentation of the candidate, his/her background and the two main topics of his/her thesis.

2/ 15 minutes for questions and discussion with the jury

Questions will focus on the candidate's presentation, motivation, past research experience, and a discussion of his or her selected projects.
